HACCP International certifies that these pest control products are suitable for use in a HACCP compliant pest control programme. Such products must be applied:

1. by a qualified pest controller,
2. in accordance with the pest control sub-section of a HACCP programme,
3. in accordance with the manufacturer's instructions.

Licence Commencement	5 March 2015
Certificate Issue Date 	23 December 2015

HACCP International's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based food safety programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

Licence Agreement

Bayer CropScience SAS is licensed to use the HACCP International certification mark, in accordance with HACCP International's Certification Trade Mark Rules and Conditions in all regions for a period of 17 months from the licence commencement date. Bayer CropScience SAS is in receipt of the HACCP International Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
